Locinox - The Full Range

First Fence Ltd, the UK's leading manufacturer and supplier of perimeter security and fencing systems, is proud to announce it is now an official distributor of the entire Locinox product range. This strategic expansion solidifies First Fence's position as a one-stop shop for high-quality gate hardware, access control, and fencing solutions.

By integrating the full Locinox catalogue, First Fence now provides its customers with world-class, European-engineered components designed specifically for the fencing and gate industry.

What This Means

“We are delighted to bring the full Locinox range to our portfolio. Our mission has always been to provide our clients with the most reliable products on the market. Locinox shares our commitment to durability and innovation, making them the perfect partner to help our customers secure their sites effectively.

The Locinox range is available for purchase immediately via the First Fence website and through our dedicated Sales Team. Customers can benefit from the technical expertise of our team to help select the right Locinox product for their specific project requirements.

By expanding our range to offer the entire Locinox catalogue, it helps us to provide our customers with a full turnkey solution from one of the most globally renowned manufacturers of innovative mechanical and electronic gate hardware.”
