# The FFL Range Has Expanded

First Fence is proud to announce a significant expansion of its swing gate offerings, in collaboration with Wisniewski, a renowned European manufacturer of gates, fences and doors.

Introducing a comprehensive range that encompasses manual, automation-ready, and solutions with full automation bundles. This strategic enhancement underscores the company's unwavering commitment to delivering high-quality, durable, and tailored security solutions for diverse applications, from residential properties to demanding commercial and industrial environments. The new range represents a proactive response to evolving customer needs, providing versatile and reliable access control options designed for both immediate functionality and future scalability.

## Gate Types Available

	Primary Use	Key Advantage
Manual Swing Gates	Basic Access Control	Robust & Reliable
Automation-Ready Swing Gates	Future-Proofed Security	Adaptable & Scalable
Fully Automated Swing Gate Kits	Ultimate Convenience & Security	Smart & Effortless

*Example FFL60D - Manual 868 Mesh Infill Double Leaf Swing Gate*

## 3 Purchasing Options: Giving You The Choice

### Manual Gates:

All gates come with 1 or 2 gate leaves, 2 x 160mm bolt down posts with 220mm ground anchors and 1 Locinox U-Safe gate safety tether per leaf.

All manual gates come with Locinox swing gate locks.

### Prepped For Automation:

All gates come with 1 or 2 gate leaves, 2 x 160mm bolt down posts with 220mm ground anchors and 1 automation mounting section on the back of each leaf.

No automation or safety is included in this option.

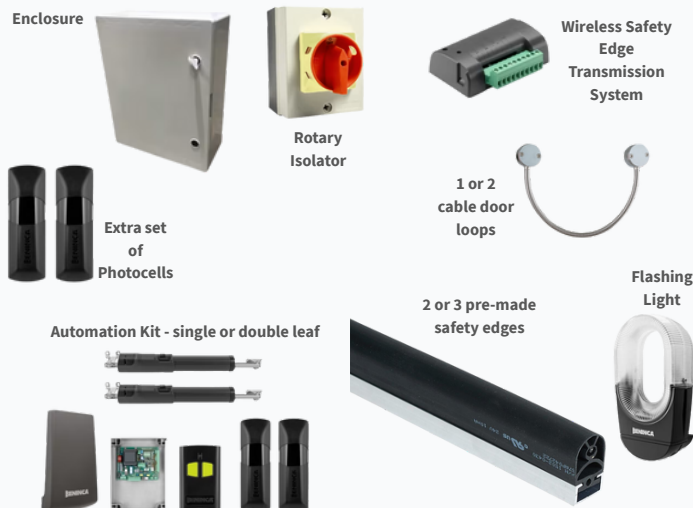

### With Automation Bundle:

All gates come with 1 or 2 gate leaves, 2 x 160mm bolt down posts with 220mm ground anchors, 1 Locinox U-Safe per leaf.

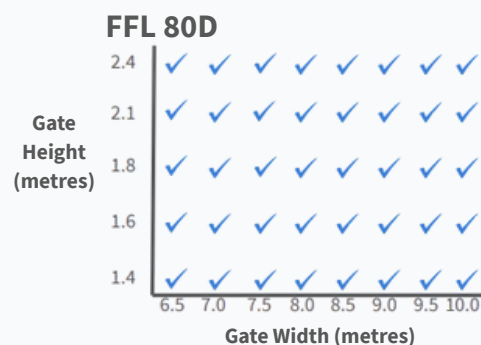

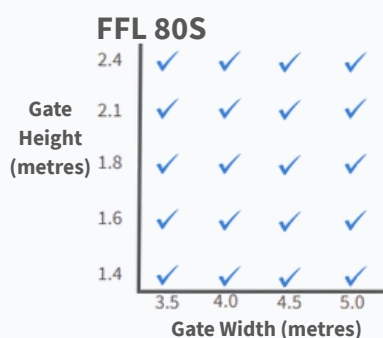

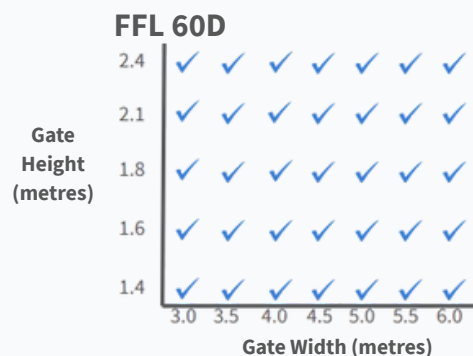

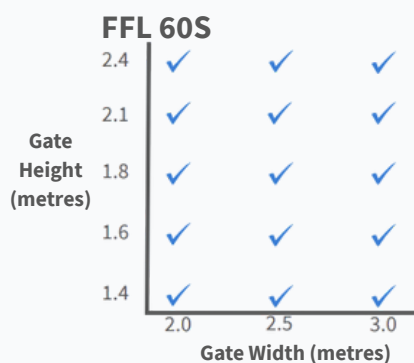

Specially selected automation bundles include a full Beninca above ground automation kit plus a host of extras shown here.

# A full on site risk assessment is required when automating any gates as additional safety devices may be required #

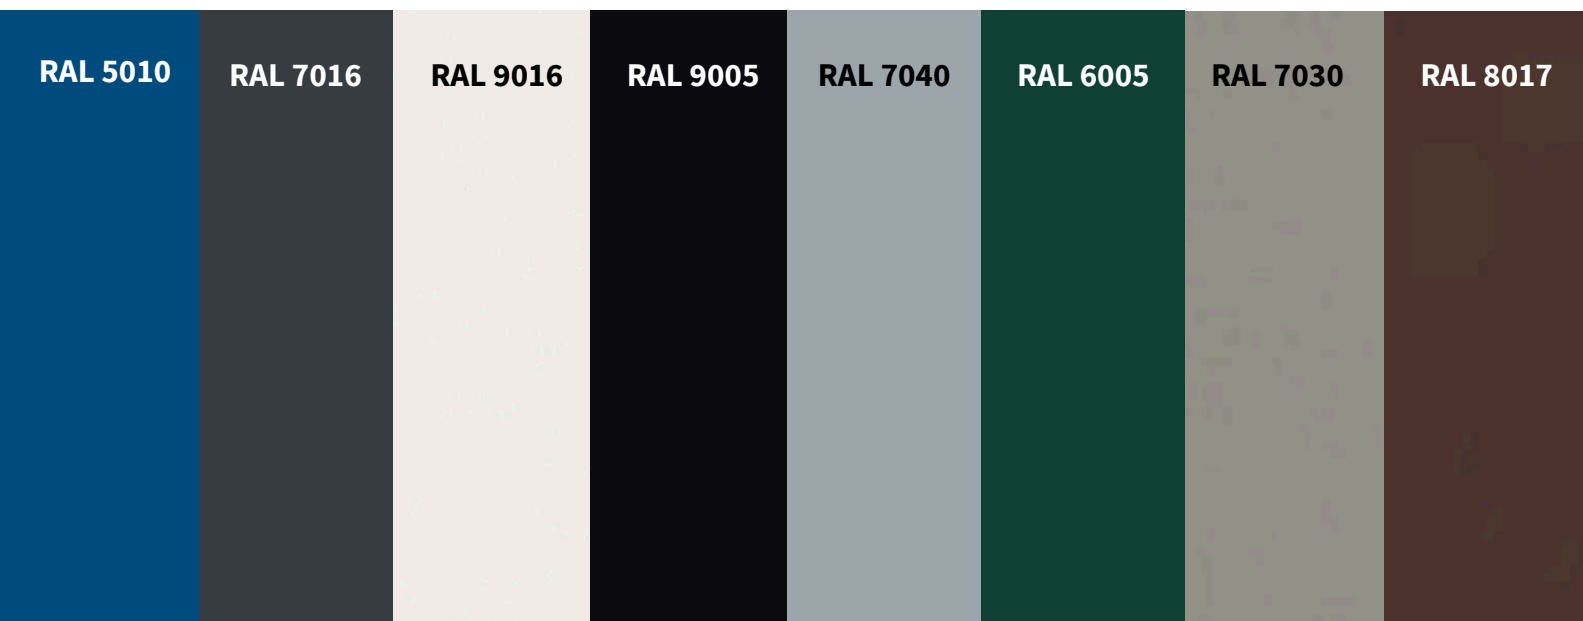

## Size Range and Colours Available

### Sizes Available:

### Standard Colours

Above is the standard colour range, however, there are over 200 RAL colours available on request.
