

DO NOT SCALE DRAWING

- Notes:
- 1. The Rebound MUGA Kit allows for the installation of a fully functional Multi-Use Games Area, providing a durable and versatile sports enclosure.
 - 2. The MUGA Kit comes with a PPC finish as standard, but it can be supplied in a variety of standard and non-standard colors to suit specific requirements.

DO NOT SCALE DRAWING

Notes:

1. **Mesh Panel Cutting Notice:**
To achieve the exact advertised system width, mesh panels will require on-site cutting. The final panel dimensions are dependent on factors such as ground levels, installation tolerances, and site-specific conditions. Please ensure appropriate tools and cutting methods are used to maintain panel integrity and coating protection after modification.
