Product : FFL Swing Gates With Automation Bundle

Suitable For : First Fence have partnered with Beninca UK to offer high quality automation to suit each gate.

We have included products such as flashing lights, external enclosure boxes and wireless safety edge systems.

An onsite risk assessment must still be carried out by the installer to ensure the system is safe, as additional safety devices may be required.

Please note, we have not included any cabling or access control in this range. For details on what we offer, please contact our sales team.
