### Versatile

These padlockable hinged bollards come in different materials and colours to suit various situations.

### Lockable

These posts can be padlocked for increased security and tamper-proofing (padlock not included).

### Corrosion Resistant

These bollards are hot-dip galvanised and polyester paint coated to secure against corrosion.

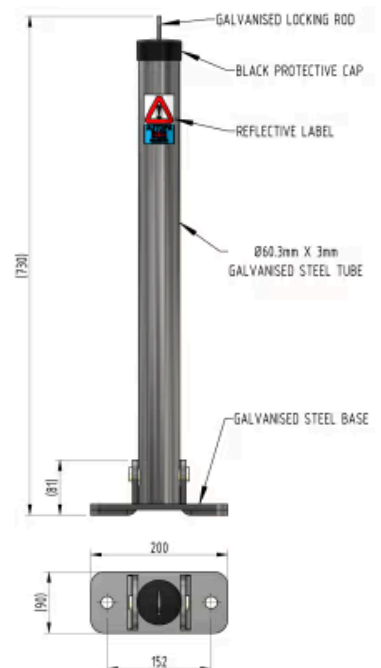

### Long Lasting

Engineered from robust, high-quality materials, the extremely durable and reliable design of the hinged parking post ensures your parking space remains protected at all times.
