

Key Features

- ☑ **Durable Construction**
(Made from galvanised or zinc-coated steel for lasting strength and corrosion resistance)
- ☑ **Secure Hold**
(Designed to keep fencing wire and mesh firmly in place under tension)
- ☑ **Easy Installation**
(Many components allow quick, tool-free fitting to save time on site)
- ☑ **Versatile Use**
(Suitable for all types of agricultural and boundary fencing)
- ☑ **Professional Finish**
(High-tensile plain wire, resistant to stress from movement and animals)

Suitable For

- ☑ Stock fencing
- ☑ Deer fencing
- ☑ Rabbit or vermin netting
- ☑ Boundary fencing
- ☑ Ground mesh and erosion control

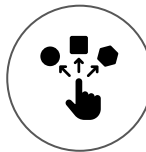

Professional Finish

Adding fixings and accessories gives a more professional, well-constructed look to your fencing.
