- ✔ **Industrial estates**

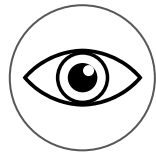

Versatile

Our Door Guards are available with a Galvanised finish, or with PPC colouring, with dig in or bolt down options to suit various situations.

Corrosion Resistant

These Door Guards are made from Galvanised Steel to secure against corrosion.

High Visibility

With a range of RAL Colours available to give a PPC finish, these Door Guards can offer high visibility.

Long Lasting

Our door guards are manufactured for long-term performance and durability when installed and used correctly. Designed to withstand regular use in demanding environments.
