Special handles

PUSHBAR-H

https://www.locinox.com/en-gb/gate-hardware/accessories-for-locks-keeps/special-handles/d00000143

Push bar for an easy opening and a free exit of a gate by a simple push. The aluminium PUSHBAR replaces the standard handle, operates the daybolt and can quickly be installed on new or existing Locinox hybrid insert locks. The PUSHBAR is available in a long version (1400 mm). The push bar can however be perfectly shortened to fit any gate.
